**Appointments with Heaven**-Reggie Anderson 2013 When Dr. Reggie Anderson is present at the bedside of a dying patient, something miraculous happens. Sometimes as he sits vigil and holds the patient's hand . . . he can experience what they feel and see as they cross over. Join him as he shares remarkable stories from his life and practice, including the tragedy that nearly drove him away from faith forever. He reveals how what he's seen, heard, and experienced has shaped what he believes about living and dying; how we can face the passing of our loved ones with the courage and confidence that we will see them again; and how we can each prepare for our own “appointment with heaven.” Soul-stirring and hope-filled, Appointments with Heaven is a powerful journey into the questions at the very core of your being: Is there more to life than this? **Saved by Song**-Don Cusic 2012-09-25 Saved by Song returns to print with its sweeping overview of the history of gospel music. Powerful and incisive, the book traces contemporary Christianity and Christian music to the sixteenth century and the Protestant Reformation after examining music in the Bible and early church. In America, gospel music has been divided between white and black gospel. Within these divisions are further divisions: southern gospel, contemporary Christian music, spirituals, and hymns. Don Cusic has provided background and insight into the developments of all these rich facets of gospel music. From the psalms of the early Puritans through the hymns of Isaac Watts and the social activism of the Wesleys, to the camp meeting songs of the Kentucky Revival, the spirituals that came from the slave culture, and the hymns from the great revival after the Civil War, gospel music advanced through the nineteenth century. The twentieth century brought the technologies of recordings and the electronic media to gospel music. Saved by Song is ultimately the definitive and complete history of a uniquely American art form. It is a must for anyone interested in the musical and spiritual life of a nation.
